

Homecoming Game – Friday, September 28th

Things to practice during your off weekend and next week for your Homecoming Game:

Hair! Hair! Hair!

Girls with long hair- must be braided as in the picture below, off the collar, off the ears

Girls with short hair- must be braided/pulled/slicked back, off the collar, off the ears

Boys with long hair- must be braided/pulled back as in the picture below, off the collar, off the ears

Boys with short hair- must be slicked back with gel/hairspray as shown in the below picture, off the collar, off the ears (you will probably have to wet your hair, then gel, and comb back)

Practice doing your hair as described. Everyone needs to be responsible for their own products and hair being done properly before a performance – hair ties, gel, hairspray, brush, comb, bobby pins, and the know how! This will be part of your inspection before every game and contest.

Boys- if you are having trouble meeting the requirements above, this may be the perfect time for a haircut or a trim, if you feel it necessary.

Everyone must look uniform. Everyone must have hair off of the ears. Everyone will have ears showing. Please take the necessary action to ensure that you have what you need to complete your required hairstyle. Also, pictured below are the products that the colorguard uses for their hair. This is just a suggestion. These products do work well though to keep hair in place.

More details about the game and performance will be sent out later.

If you have any questions, please see Mr.Paul or Mr.Albin.
