

Hello Fellow Aledo Bearcat Regiment Band and Colorguard Members and Parents!

I know it is early for some of you to be thinking about summer marching practice and football season, but it will be here before you know it!

My name is Lucy Bobalik. I will be in charge of making sure everyone is fed before football games, at contests, game snacks, bus snacks, and everything in between when the Regiment needs to eat this year. That being said, I am thinking about food for meal plan already for the year. In order for us to make sure everyone has what they need as far as food goes, we will need to make special accommodations for some students.

WE WILL ONLY ACCOMMODATE VEGETARIAN, GLUTEN-FREE, AND ALLERGIES.

If your student will need a vegetarian or gluten free meal, we need to know that. Special meals will be ordered for these students. They will not be offered the same items necessarily as the regular meal that is offered. (Please make sure your student understands this if they sometimes eat meat, but not all the time. If you tell me now that your student is vegetarian, we will keep it that way for the year unless we hear otherwise.)

If your student has any food allergies, we need to know that. Also, if you could let me know how severe they are. While we will try not to order or have those foods offered, sometimes food items come in contact with other food items at restaurants where we order from and is out of my control. We will do our best to make sure we have no problems.

Example- If your student is allergic to strawberries, does it only bother them if they eat them, or if they even get near them?

By giving me this information, we will know what we can and cannot serve during meals.

Please respond to this email, even if you think I already know, since things can change from year to year.

Remember, we start summer practice on July 30, which means we eat starting that day too!

Thank you,
Lucy Bobalik

P.S. I am always in need of adults to help serve the kids. If you feel like you might want to help occasionally or all the time, please let me know. I can add you to the group email. I really appreciate any help you can give!
